FALL 2024 NEW ARRIVALS

STORMTECH®

nurtured by nature

Fashion for Every Forecast

Elevate your next adventure. In an industry that typically offers fast fashion as a solution for corporate apparel, STORMTECH is a disruptor. Given a choice, most consumers will choose higher quality, performance driven products that are built to last, and which they are proud to wear both at work and at play. Crafted with the latest technological advances, our Fall 2024 collection provides a seamless transition from lightweight layering to our H2XTREME® technical shells and fully insulated Thermolex outerwear to enhance your experience during the colder months.

Inspired by the rugged landscapes of the Pacific Northwest and refined in Vancouver's cool, urban cityscape, STORMTECH Performance Apparel has outfitted explorers and seekers for extreme, unpredictable weather and conditions since 1977. Fueled by our passion for the outdoors, we build durable, functional, contemporary clothing and deliver quality and innovation year after year.

At STORMTECH, we believe in environmental stewardship, with technologies that lessen our impact on our natural environment. STORMTECH creates timeless, high-quality products designed to extend product life and minimize environmental impact. We back up our commitment to quality workmanship with a 5-year warranty, and have built out a sustainable product care program to extend product life and performance.

Sustainable practices are ever-evolving, and we are committed to minimizing our environmental impact and enhancing sustainable practices through responsible design, sourcing, and daily business operations. We also support youth through our 1:1 initiative, and support worker health and safety at all of our factories and office locations.

STORMTECH is a one-stop, full-service partner uniquely structured for the corporate marketplace, offering a comprehensive array of in-house decoration services, a robust e-commerce website and a highly-skilled customer service team to support and fulfill your orders.
